BETHANY COLLEGE**

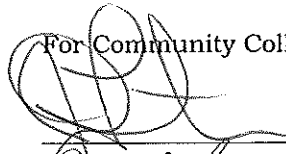

September 1, 2003

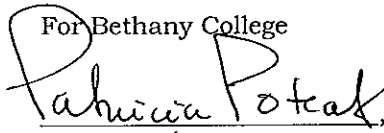

The Community College of Beaver County and Bethany College agree to cooperate in correlating their respective programs for the Associate of Arts and/or Associate of Science Degrees and the Bachelor of Arts and/or Science Degrees. This formal cooperative arrangement permits the student to benefit from attending the Community College of Beaver County in order to pursue a baccalaureate degree from Bethany College.

The Community College of Beaver County and Bethany College officially confirm the following terms of agreement:

1. Upon transfer from the Community College of Beaver County to Bethany College, the student chooses to follow either the catalogue regulations in effect at the time of his/her admission to Bethany College.
2. For the student who has earned the Associate of Arts or Associate of Science degree at the Community College of Beaver County, Bethany will accept a minimum of 60 semester hours. Courses with a letter grade of "D" or higher will transfer as letter grades. If a student transfers a course grade of "D" in his/her major field of study, the major department must approve the acceptance of the course. The student must take at least one-half of the required major courses at Bethany College.
3. For the student who has not completed the Associate of Arts or Associate of Science degree at the Community College of Beaver County, only courses with a "C-" or higher will transfer. The letter grades and cumulative grade point average will not transfer. Courses will be recorded as CR (credit.).
4. All transfer credits from the Community College of Beaver County are applied to the student's program in accordance with the scheme of course classification at Bethany College (i.e. Liberal Arts Core, Majors, or Electives.)
5. The transfer student enjoys the same rights and privileges and observes the same regulations in the major department as students in the department who matriculated to Bethany College in the same year that the student entered the Community College of Beaver County as a freshman.
6. The Community College of Beaver County and Bethany College will review their mutual agreement annually and make adjustments or amendments when necessary.

The Community College of Beaver County and Bethany College authorize this agreement to become effective on September 1, 2003.
